January 1990

Due to the Martin Luther King holiday our meeting date will be changed. As the date, time and location have not yet been determined, watch for a meeting notice in your mail with full details.

OF SPECIAL CONCERN

Those of you who did not attend our last meeting will be surprised to learn that Sutro Library will no longer be open during the evening extended hours on Mondays or on Saturdays at all. As part of State of California cost cutting measures it was determined that these extended operating hours were no longer justified. Consequently the library will be closed at 5 pm prior to our meetings. We may continue to use the room if someone comes early enough to occupy it and keep it open until our members arrive. This is not an ideal situation. Please send a letter voicing your objections and concern about the closure to: Mr. Gary E. Strong, California State Librarian, California State Library, P.O. Box 2037, Sacramento, CA 95809.

In the meanwhile we must have discussion about a viable alternate meeting place (and possibly time). Attend the November meeting and be a part of the decision and solution.

Acquisition Fund for Genealogical Materials

Member Ruth Rafael, Archivist of the Western Jewish History Center provided the following resource information. The Ethel Gold (Czizik) Heskin Fund for Genealogical Source Materials has been established at the Western Jewish History Center, Judah L. Magnes Museum in Berkeley. Ethel Heskin is a former SFBAJGS member whose health in recent years has prevented her from participating in the Society. The Fund begun by Mrs. Heskin and which is augmented from time to time by her and others with her vision, is devoted to the acquisition of genealogically relevant materials pertaining to the western states. Already part of the new collection are the Indexes of the 1850, 1860, and 1870 censuses of Utah; Volume I of the San Francisco Ship Passenger Lists; Lest We Forget: Remembrances of Cheyenne Jews, by Marc Elliott and Marie Still; and numerous other censuses, indexes, and unpublished genealogies. Many more materials are on order.

The collection is accessible to researchers at the Western Jewish History Center on a non-circulating basis. Although there is no published list of holdings, there is a surname file. Contact the Western Jewish History Center for more information.

A Word About Membership

The bulk of this Newsletter has been devoted to a "Mini-Family Finder" and roster of our members. This listing contains the names of paid up members as of November 1. Dues have been due and payable since September 1; new members who paid the full dues after April 1, 1990 will be considered paid until August 31, 1991 and appear on this list. Anyone who owes dues payment for 1990-91 will see a (D) next to their surname on the list. This will be your last newsletter unless your dues are paid to keep you current.

Since so few of our paid members attend meetings they are unaware of the networking possibilities inherent in a knowledge of the surnames and locations being researched by other members. Perhaps this listing will provide information which can lead to a research success. Please note that this list is not to be used for any commercial purposes and is for the sole use of the membership of the SFBAJGS.

Lodzer Landsmanshaft Membership List

There is a list of the members in 1977 of the Lodzer Young Men's Benevolent Society in the Winter 1989-90 issue of Yichus, the Newsletter of the JGS of North Jersey. Addresses and phone numbers are given and the list is available by request and SASE to Yichus, Charles Goldman Library, YM-WHA of Wayne, 1 Pike Road, Wayne, NJ 07470.

Family History Video

The Family History Video might be of interest to our members. The guide is offered by the Bureau of Jewish Education of San Francisco as an educational unit to aid students trace their family roots and document their findings on videotape. The ten lesson plans provide guidelines for researching family history, techniques for classroom video production, strategies for involving parents, etc. The Guide is available for \$ 16.50 + 15% S/H from the Bureau at 639-14th Avenue, San Francisco, CA 94118-3599.

Jewish Monumental Inscriptions - Barbados

The full title of this book is Monumental Inscriptions in the Burial Ground of the Jewish Synagogue at Bridgetown, Barbados. The book was written by the tombstone transcriber and translator E.M. Shilstone and published in 1956 by the American Jewish Historical Society. The graves date back to 1660 and the inscriptions are in Hebrew, Portuguese, and English. Each inscription is accompanied by the corresponding entry from the Burial Register. Appendices abstract Burial Register entries which have no corresponding stone. There is a name index and an index of place names other than Bridgetown found on the stones. This book is owned by Bob Weiss and may be consulted at meetings.

Collecting Historical Material--Congregation Ohabai Shalome

Anyone with memories, memorabilia or other information concerning the San Francisco landmark synagogue which was founded in 1864, is encouraged to write to Mr. Felix Warburg, Bush Street Synagogue Cultural Center, 2844 Broderick Street, San Francisco, CA 94123. A history is being prepared and former members or their descendants are being sought.

News From Meetings of Local Societies Around the Bay

The Santa Clara County Historical and Genealogical Society: March 1990 meeting concerned the obtaining of information through the county offices. Lucky for people researching in that county, the community liaison for the Santa Clara County Recorder's Office is Colleen Peyton, genealogical inside person. Though genealogical inquiries represent only 4 percent of the business of the county office, it is wonderful to have someone within that office who understands the unique needs of the genealogist. The county is moving to computerized abstracts of records but if your inquiry says "for historical research purposes" you will get a copy of the requested record instead of an abstract.
